Wholesale

Proof is required that you are a business either reselling fibres or making commercially to sell. Please complete the attached form and send to enquiries@adelaidewalker.co.uk marked as wholesale.

The minimum order level is based on value not weight and for fibres the minimum unit of order is shown against each product. The minimum value per order is £125 (plus VAT where applicable). Trade price is retail less 25% unless specified otherwise.

Orders must be placed online even if collected from the shop.

Once you have placed your order you will need to make payment by BACS. Bank details are on the invoice which will automatically be sent once an order is placed. Please use the 5 digit order number as a reference when making your payment so that we can marry up payments with orders.

Once payment is received the order will normally be despatched on the following working day.

Delivery may be up to 5 working days (UK) but on mainland UK it's often 1 – 2 days. We process wholesale orders as quickly as we can but no guaranteed delivery date is given. Please note that if you are outside the UK you may be liable for local import charges.

Please feel free to call us with any queries before placing an order We personally use our fibres for spinning and felt making so we know them well and may be able to help you.
